Hallmark is attractive in more ways than one. To the eye, top quality clear Canadian Hemlock inside and out reflects golden light in a warm, comforting glow. The exterior is protected with a biodegradable finish for a luxurious look and ease in maintenance. Interior puck lighting, color therapy lighting system and integrated sound system complete the aura of luxury.

But even though you wouldn't know it by looking at it, Hallmark is well-known as one of the best values in traditional saunas. And its clever hook and pin panel design means Hallmark is easily assembled in less than an hour. Hallmark saunas come complete with a built-in floor with vinyl surface, which makes cleaning and maintenance a breeze. The sauna is powered by stainless steel Helo Junior or Viki wet/dry sauna heaters, featuring the dependable climate-creating efficiency you'd expect of a Helo. Your comfort is easy to adjust using the intuitive SaunaLogic digital controls.
